**NOTES**

1. Please considering joining the Navy League- San Diego. For $25/year, you can lend them your support. For those that do not know, the Navy League is our unit’s sponsor. They donate money EVERY year to our unit. These funds allow us to do the fun activities the cadets participate in with little or no cost to you. Without their support, we would not be able to: do the overnight aboard the Midway or go sailing with the Maritime Museum (to name a couple).
Please visit http://www.navyleague-sd.com/ for more information.

2. Please make sure you register your cell phone number with REMIND. This is a program designed for teachers but I also use it with Sea Cadets. It allows me to send an “instant message.” There is no exchanging of phone numbers- but an easy way for me to communicate if you need to check your email or if something changes while at drill and we have no internet access.

3. Parents- as we begin our new training year, please plan on attending the parent meetings held the Sunday before the awards. This is where we can communicate and address any issues/questions.
